Dear Vincent Miscione,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- **Docket No. 2019-290-WS** - Application of Blue Granite Water Company for Approval to Adjust Rate Schedules and Increase Rates

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Blue Granite Water Co. for the last 3 years.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I protest the increase in the monthly water and sewer charges. I am a Senior that cannot afford this increase being on a fixed income. Why should I have to pay \$103.55 for 3,094 gallons of water and sewer charge. Owning a home for the past 50+ years, I have always been charged for sewer based on the amount of water I used. The way the current charging is being done is not right. Blue Granite should not be making a profit for these essential services.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Yes, if time permits.

Due to recent development in Temo area
any increase in rate do not seem reasonable

rates are currently 20-25% higher in the
last 3-5 years
